

A Project of OneCommunity

September 2012

In March 2010, OneCommunity (onecommunity.org) was awarded \$18.7 million through the Broadband Technology Opportunities Program funded by the Recovery Act to create **Connect Your Community** (connectcommunity.org). CYC is expanding broadband adoption in Detroit MI, Cleveland OH, Akron OH, Appalachia OH, Lexington KY, Winston-Salem NC and Bradenton FL.

The CYC Lead Community Agency for Manatee is the Manatee Education Foundation.

31,000

Unique individuals have received 20-24 hours of CYC Training.

1,704

of the 31,000 were trained by Manatee Education Foundation and local partners.

Individuals Served by the Manatee CYC

Total Students Registered		1,864
Age	% of students responding

CYC Graduation at Central Community Redevelopment Agency, March 2011

National CYC Workforce Phone Survey

Among those who said they undertook the training mainly for employment reasons:

91.3%

of all respondents now regularly access the Internet.

44%

have since found new or better jobs, received a promotion, entered work training programs, or started their own businesses.

74%

said that looking up health information online was "personally significant" to them.

75%

help their children or grandchildren with homework as an important area of personal development.

624 CYC participants completed the workforce survey in October 2011.

CYC Graduation at 13th Avenue Dream Center, March 2011

National CYC K-12 Parent Phone Survey

67%

of all respondents now have broadband access in their home

77%

of parents surveyed said that the training they received through the CYC program increased their ability to engage with their child's school and teachers.

67%

of parents surveyed who got broadband in their home say they use it to communicate with their child's school or teacher.

81%

of respondents report that their child completes their homework, school-work, or class projects using their home broadband connection.

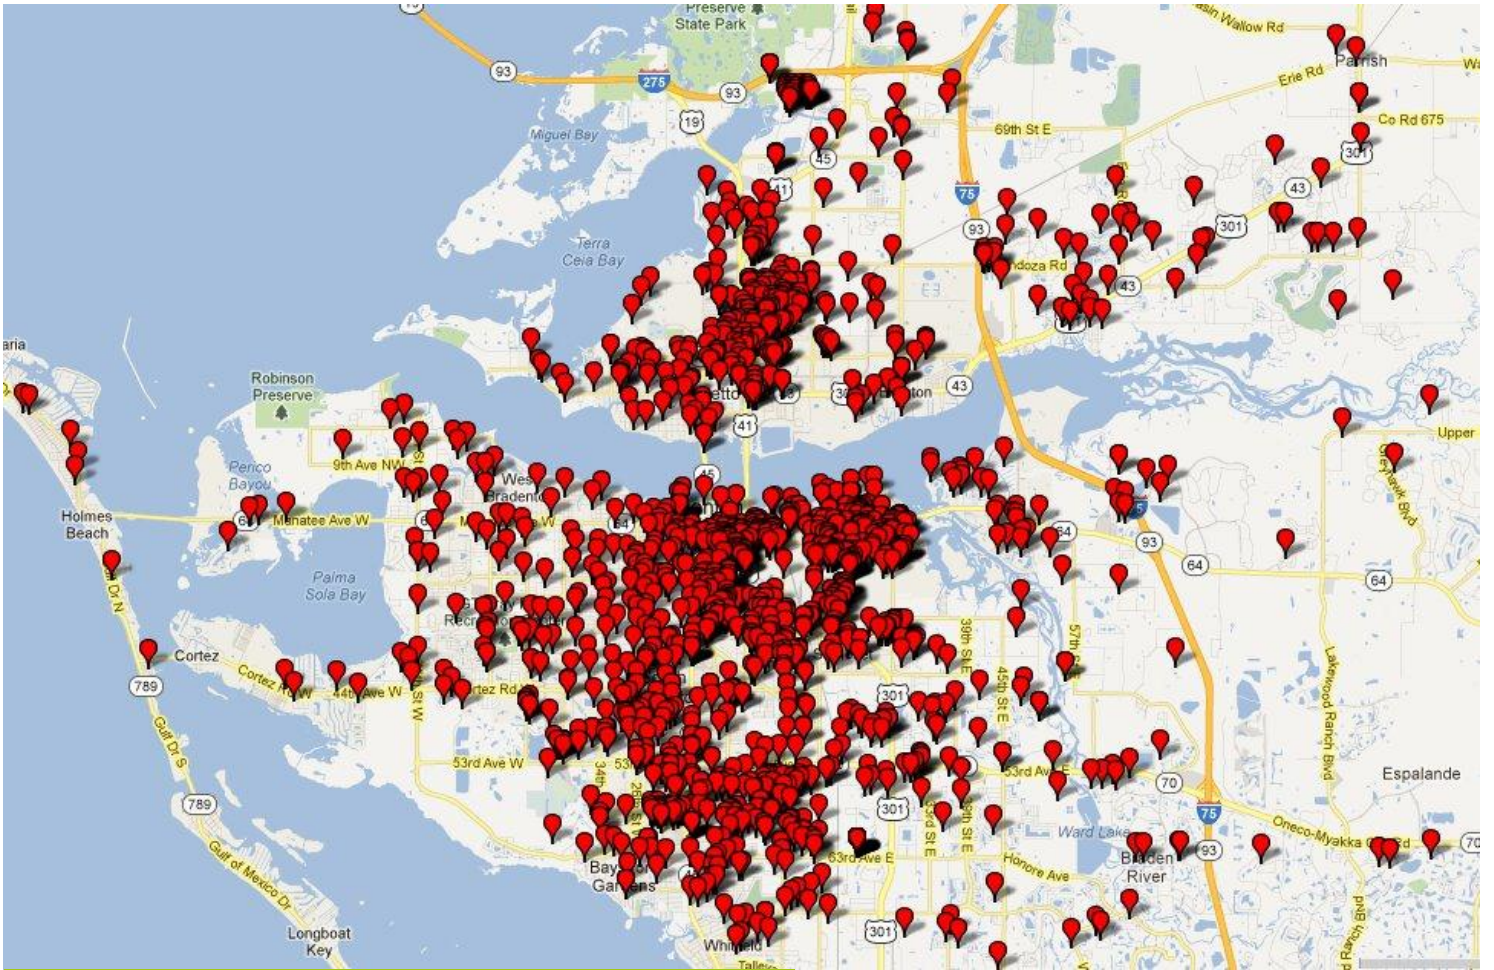

57%

say that since they got broadband in their home they use their child's school website to learn about school activities/programs.

1st CYC Graduation at Central Community Redevelopment Agency, November 16, 2010

456 CYC participants completed the K-12 survey in April 2012.
